

The Eastside Jazz Collective will never request or demand specific hospitality rewards. The group is comprised of six very easy going people, who appreciate anything that is offered. If food or drink tickets are part of the gig offer, thank you for your generosity.

Water tops the list, with enough for six people, to last 2-3 hours / sets.

Drink tickets are used responsibly, sparingly between sets and after the performance, and never shared with any friends or guests. Our job is to support the business in your venue, and entertain our fans and your patrons.

If food is provided, nobody in the Eastside Jazz Collective has any food allergies or meal restrictions.

To further lock in details about the night, please get in touch with Mike Williams (734-645-1548) -or- Adrienne Pisoni (734-604-4594) for more information (EastsideJazzCollective@gmail.com).
